This luxurious villa with breath-taking panoramic views, stands proud, in one of the most sought after estates in Curacao; Coral Estate, offering privacy and 24/7 security. The plot extends 1338m2 and the villa's total livable space spans 270 m2

It features big open spaces.. The design is tight and timeless providing natural balance and beauty.

All the rooms do have view to the Caribbean sea and the Laguna All high quality hard wood windows are double. One side shutters, and for extra wind and insolation glass windows The indoor dining and sitting areas, surrounded by terraces for outdoor dining, relaxing, sunset drinks, meeting with friends or BBQ. The second floor contains 2 air-conditioned bedrooms each with en-suite bathroom. Living spaces, terraces, kitchen and the layout of the bedrooms have been designed as per the same style and thus custom created, which results in an exceptionally beautiful and well balanced home.

At sunset the villa experiences a complete metamorphosis. Whether swimming in the pool or relaxing on one of the spacious terraces you can enjoy the stunning views overlooking the cliffs and the Caribbean Sea. On the North site of the Villa you have sights to the saltwater Laguna with their famous flamingo's and the little town of Williwood. A magnificent tropical setting through the sun and shade partitions, offers a natural 'climate control system' made possible by the natural ventilation flow coming from the north-eastern trade winds, add to the uniqueness of the villa.

The separate apartment has Air-conditioning, An open kitchen, living room, and a separate bedroom with full bathroom.
