Jan Sofat

- 24/7 guarded neighborhood
- spacious parking area
- 5 bedrooms
- 4 bathrooms
- spacious living room
- separate kitchen
- back and front porch
- grand pool
- view over the Spanish water

This charming villa is located in the safe Jan Sofat area with fantastic views of the Spanish Water and is built with a lot of (well maintained) hardwood elements and with an eye for detail. Jan Sofat is a large and guarded residential area on Curaçao. The villa is close to the harbor of the Spanish Water. From the harbor there is a free passage of the water into the Caribbean Sea.

The villa has 5 bedrooms and 4 bathrooms, a spacious living room and a separate nice kitchen with modern appliances. The villa has a covered porch on the side of the beautiful view over the Spanish Water of Jan Thiel. The back porch is newly tiled with many plants and trees., There are two deepwell wells installed for irrigation to always keep the grass green. There is also a spacious pool with waterfall and decorative rocks!

If you are planning to buy a villa in Curaçao, then this is definitely a villa that you "have to see".
