### Charming 3-story home with breathtaking views on our Spanish Waters

Come see this charming and spacious 3-story home with two balconies and breathtaking views on our Spanish Waters. This gem offers 4 bedrooms a well equipped kitchen and lots of nice extras.

### Main floor

Enter your new home in the beautiful hall that leads you to a sizable living room with doors to the balconies on each side. The well-equipped open kitchen with Kitchen Island comes with a build in microwave/oven and also has doors to the balcony.

On the left balcony you will find a pantry and a restroom to offer your guests their privacy.

### **First Floor**

The stairway on the right side of the hall brings you to the private part of your home. Here you will find the lovely master bedroom with an en-suite bathroom and a walk-in-closet. This floor has next to the master bedroom, two spacious bedrooms with built in cabinets to save even more space and a bathroom with a bathtub.

The left side of the hall surprises you with doors that lead to a private terrace.

### **Ground level**

On ground level you will find another bedroom with its own entrance, a private bathroom and a storage.

The enormous garage is big enough for two cars and extra storage space. There is also a laundry room with a 50L boiler.

### **Nice extra's**

For your convenience there is an electronic gate and an alarm system installed. The garden is sprayed with a computerized pump connected to an underground water tank.

This home needs a little TLC (tender loving care), so bring your hammer and ideas!

**Price: NAF 575.000,- / US\$ 325,000.-**
