Price: ANG 1,890,360.- / US\$ 1,062,000.- Buyers Cost

Main floor.

The entrance is on the main floor and has a spacious living with large sliding doors to the terrace and pool. The kitchen is professionally equipped with a free standing cooker with direct access to the terrace. Next to the kitchen is a spacious utility room with pantry and laundry room which can also be accessed from the driveway.

There are two spacious bedrooms. The master bedroom has a large private bathroom with double sink, shower and bath. It features a spacious and well organized walk-in closet. From the master bedroom you can also access the terrace and pool. The other bedroom shares the bathroom with the guests and has access to the side terrace.

The terrace is spacious and mostly covered over the full length of the house, overlooking the large swimming pool and the sea.

Guest rooms.

The three guest rooms are under the house and offer complete privacy and a stunning view. They are all very spacious and comfortable equipped. One has a bathroom and a living bedroom. The other is a studio with kitchen and bathroom. The third bedroom is at the front of this floor, again with private bathroom and beautiful sea view!

There are also two storage rooms. One floor down, half of the floor space is available as storage space or later to fill in as a gym or hobby room. The garden beautiful and needs few maintenance because of the local natural plants. There is a large gazebo with all facilities like a barbeque and fridge. The property also features a large garage with space for two cars and ample storage space. All bedrooms are air conditioned and neatly hidden so that it doesn't interfere with the beauty of the home. The house is ready to move into and requires no maintenance.
